

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

March 20, 2009

Permit Number: OCRM-09-834-G
Permit ID: 66378

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Samuel A Saxon
C/o Steadfast Marine Services, Inc.
PO Box 219
St. Helena Island, SC 29920

LOCATION: On and adjacent to Boyd Creek at 774 Boyd Creek Drive, Knowles Island Subdivision, Ridgeland, Jasper County, South Carolina.
TMS#: 094-02-00-004.

WORK: The work, as proposed and shown on the attached plans, consists of constructing a private dock. Specifically, the dock will have a 4'x305' walkway with handrails leading to a 16'x16' covered fixed pierhead with water, electricity and a 2'x5' fish cleaning table. On the edd-side of the pierhead a 4'x30' ramp will lead to a 10'x30' floating dock. On the ebb-side of the float will be a 14'x14' four pile boatlift. The purpose of the dock is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before April 4, 2009. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.
